

Quality care, close to home.

Insurance Plans Accepted by Union Hospital

Patients should always verify Union Hospital and Physician participation with their insurance plan prior to receiving health care services. The Insurance Plans listed below have active contracts at Union Hospital. You can access a plan's website by clicking on the plan's name below, which is linked to its website.

If you do not see your insurance plan listed, please call your insurance company's phone number on the back of your insurance card, or visit their website to determine if your insurance may cover services at Union Hospital.
