

# Warther's Christmas Tree Festival

Dear Friend of the Union Hospital Auxiliary Christmas Tree Festival,

It's time to start planning for the 24th annual Christmas Tree Festival at Warther's Carvings in Dover! We hope you will be part of this rich holiday tradition.

The dates of the **Christmas Tree Festival this year are November 11-19.**  
The **Preview Party is the evening of November 10.**

Many of our sponsors enjoy creating their own unique tree themes and designs. Not one of them? Don't worry - the Auxiliary is here to help! We can provide as much or as little assistance as you need to create a one-of-a-kind tree that will be a wonderful addition to the Festival.

The Festival Decorating Committee is in it's final buying mode. If you would like the Auxiliary decorators to design your tree, please let us know as soon as possible. Whether you decide to create your own tree or would like our assistance, we ask that you complete the enclosed Participation Agreement and return it by FAX, e-mail, or Postal mail at your earliest convenience so that we can plan accordingly.

Each year the Auxiliary makes a donation to Union Hospital, which is used to purchase new technology and equipment. Since we began, the UH Auxiliary has raised and donated more than \$4.0 million. Your support of this project is genuinely appreciated.

If you have questions please call Holly Ripple in the Union Hospital Community Relations office at (330) 364-0884 or Connie Finton at (330) 340-7276.

Respectfully,  
Connie Finton  
Chairperson  
UH Auxiliary Christmas Tree Festival
